CAR CARE SAFETY CLINIC

FOR SENIORS 50+

SATURDAY, OCTOBER 13, 2018

FROM 8:00AM-12:00PM

Lisle Township • 4711 Indiana Avenue, Lisle

No reservations are required for this rain or shine event. Coffee, donuts, snacks & other beverages will be provided.

The Naperville & Lisle Townships TRIAD invites Seniors 50+ to bring their cars for a FREE Comprehensive Auto Safety Inspection.

Bring your vehicle to Lisle Township on Saturday, October 13 to ensure that it is up to safety standards and ready for winter. A free multi-point vehicle inspection will be performed, which includes checking fluids, belts, hoses, tires, lights, signals, wipers, and more. Also, trained CARFIT volunteers will be on hand to show you how to correctly position yourself in your car and demonstrate aids that will help you get in and out of your car safely and easily.

There will be safety and crime prevention information, and snack tables to visit while your car is being inspected.

Also, bring home a free souvenir picture of yourself sitting in the driver's seat of a classic automobile!

For more information, call Lisle Township at 630-968-2087.
